CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

All,

We recently had the Defendants Jones and Garofalo estates re-opened and new administrators appointed (on August 29 and September 3, respectively). We need to amend the Complaint to change the estate names in accordance with the new administrator, namely, “Annette Huller, as Independent Administrator of the Estate of Nancy Jones, deceased” and “Annette Huller, Independent Administrator to Collect of the Estate of Gregory Garofalo, deceased.” I haven’t received the e-stamped orders yet but will forward for your records once I do.

I have attached a redlined complaint to show that is the only change made. I have also attached a proposed consent motion, which would allow me to file the (third) amended complaint by consent.

Can you let me know today if I can file as a consent motion? Of course the consent only applies to filing the amendment, not to anything else.

Sincerely,
John
